As with any plasticized PVC material, staining from secretions from microorganisms is possible and is not covered by the warranty. Please ask your local pool professional for tips on preventing microorganism stains.

All vinyl liner samples are for illustration purposes only. The manufacturer reserves the right to change liner selections without notice. Color may vary from printed brochure.

Due to their intricate design, some liner patterns may not match up with 100% precision on pools with steel steps. Please consult your dealer about which liner designs are best for pools with this type of step.

The gauge thicknesses specified in this brochure may vary due to manufacturing tolerances.

Standard bead color (white bead on white vinyl - blue bead on blue vinyl - teal bead on teal vinyl) will be applied unless otherwise stated on the order.
